

Introducing Our Two New Powerhouse, 2-Ounce Shots!

BOOM! **the** BOOM!

and the FIREBOMBS

Both containing the amazing healthy properties of our organic wheatgrass and ginger, and then adding an extra boost onto the Firebomb with Cayenne Pepper.

One of the major benefits of Cayenne Pepper is the positive effect it has on the digestive system. It also relieves migraine pain, prevents blood clots, provides detox support, relieves joint and nerve pain, supports weight loss, works as an anti-irritant, boosts metabolism, clears congestion and has anti-fungal properties.

We put a Whirl'd of Goodness in Your Cup!
