

Smoothie Whirl'd is having an Event to Help Make Foster Kids Feel Special on their Birthday!

Smoothie Whirl'd is proud to announce that we have partnered with **Speak Up for Kids** and on Saturday April 3, 2021, we'll be having an event at the store asking for donations and giving back 20% of our entire store sales from that day to **Speak Up for Kids!**

Speak Up for Kids advocates for all the foster children in Palm Beach County. Our donations will go towards providing a CAKE, CARD & GIFT for a foster child's birthday.

**Please come join us here on
Saturday April 3, 2021
in support of making a
foster child feel special on
their birthday!**
