

IT STARTS WITH YOU WALK FOR UNITY

Reggie Dee, a local radio celebrity and community advocate in South Florida, is doing exactly that, beginning in August of this year. He will be taking steps for unity by walking approximately 3,300 miles from West Palm Beach, FL to Seattle, WA. It is our hope that people from all areas and lifestyles will join Reggie's walk (in person or virtually) and track their steps, and share, in the name of unity. Smoothie Whirl'd supports Reggie in this great cause.

We hope you will, too!
